

I'm swapping my birthday gifts for **something greater!**

This year I'm dedicating my birthday to bettering the lives of all creatures great and small.

I'm swapping new shoes for shelter, fashion for toys & treats, and cake for vet care for the 44,674 animals that arrived at RSPCA Queensland centres in the past year alone.

Thanks to the generosity of supporters, these beautiful animals have been rescued, rehabilitated and rehomed — they get a second chance at life!

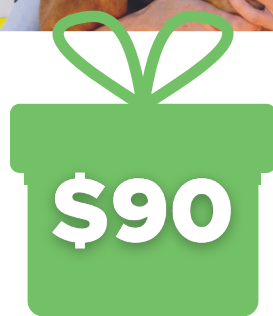

Please help me to have my best birthday yet by donating to my fundraising page and ensuring love and safety for all creatures great and small!

My page:

\$30

can provide life-saving vaccinations for an animal in our care

\$90

can help keep our Inspectors on the road, rescuing animals in desperate need

\$250

means a week of shelter care for an abandoned or abused dog

Help make my birthday **'extra sweet'** and donate today!
